MOBILIÁRIO
PARA ESCRITÓRIO

Fundada em 2008, a Gebb Work está localizada em Bento Gonçalves, na Serra Gaúcha. Nossa região é reconhecida internacionalmente por oferecer móveis de qualidade. E nós somos parte importante nisso, atendendo todo o mercado nacional e exportando para a América Latina.

Investimos constantemente em pesquisa e desenvolvimento de novos produtos e soluções capazes de surpreender sempre pela qualidade, ergonomia e design diferenciado.

Trabalhamos de forma sustentável, utilizando o MDP com revestimento melamínico em BP, como principal matéria prima dos produtos.

Sempre atendendo os requisitos legais e preocupados com a preservação do meio ambiente, temos orgulho de dizer que 98% dos resíduos gerados são sólidos e recicláveis. O restante é acomodado em depósitos certificados, garantindo que seus clientes tenham acesso a produtos ecologicamente corretos.

Para atestar a confiança que temos em nossos produtos e processos produtivos, oferecemos 5 anos de garantia aos consumidores do mobiliário Gebb Work.
